Re: The Knapheide Mfg. Co. ("Knapheide") Closure Plan

Dear Steve:

As we discussed last week, I am sending you a copy of correspondence to Ruben McCullers of USEPA, Region VII, concerning Knapheide's acceptance of the revised Closure Plan.

It is my understanding that MDNR intends to wait on the approval of the Closure Plan until such time as any changes to the Closure Plan which are deemed necessary or advisable by Knapheide based upon site conditions when it regains access to its facility, are submitted for consideration.

Please contact me if you have any questions or comments concerning the Closure Plan or the enclosed letter.

Very truly yours,

RUDNICK & WOLFE
